REF: ADDIS ABABA 1581

¶1. Summary. The African Union (AU) notified its partners via note verbale June 22 that it had no objections to the partners providing all six personnel requested as advisors to the AMIS Joint Forward Headquarters in El Fasher. The Joint Chief of Staff, in turn, would report to the AMIS Deputy Head of Mission.

¶3. In response to this request, Addis-based partner representatives sent a note verbale June 13 to the AU proposing the following nominations: UN will provide the requested advisor to the officer in charge of plans (J5), as that will facilitate planning for the transition of AMIS to a UN peacekeeping operation; the USG will provide advisors for the officers in charge of information analysis (J2) and civil-military cooperation (J9); and the EU will provide an advisor for the officer in charge of operations (J3), as well as a military advisor and a police advisor for the Joint Chief of Staff.

¶4. On June 22, post received the following note verbale:
